SOUTH AUSTRALIAN SPACE SCHOOL 2021

A four day residential conference for South Australian Year 10 students

Wednesday 8 December to Saturday 11 December, 2021

TEACHERS OF YEAR 10 STUDENTS in 2021: PLEASE PHOTOCOPY these pages for INTERESTED STUDENTS or refer them to www.spaceschool.com

*** PLEASE NOTE THAT NO MORE THAN TWO STUDENTS FROM EACH SCHOOL WILL BE SELECTED**

The Centre for Australian Space Education (CASE) invites applications from Year 10 students for the 23rd annual residential South Australian Space School (SASS) December 8-11

Students at the South Australian Space School will be accommodated at the **Warradale Urban Camp School:**

- Take part in science investigations including building and launching model rockets at Hamilton Secondary College Space School
- Undertake tours of the Adelaide University Physics Laboratories
- Visit the Defence Science & Technology Group (formerly DSTO)
- Hear inspiring talks about careers in space science, physics, engineering, life sciences and learn about the new Australian Space Agency based in Adelaide.
- Visit the Australian Space Agency Discovery Centre.
- Visit the RAAF Base at Edinburgh and be escorted through various testing facilities and aircraft
- Visit the new Planetarium at Hamilton Secondary College
- Visit PIPEHENGE
- Have a great time, and of course, make many new friends!

Graduates of the South Australian Space School have also been given opportunities to undertake work experience with the RAAF, Flinders University, Adelaide University and DST Group. Some of our graduates have won scholarships to attend international space camps in the USA and Europe in following years.

SASS will be supervised by female and male South Australian science teachers and scientists/engineers who have working with children checks and will reside with the students at Warradale.

A $80 registration fee includes all meals and transport during SASS, printed materials, SASS windcheater, folder, a large souvenir group photograph and three nights' accommodation.

A maximum of 24 students will be selected. It is expected that equal numbers of males and females will attend.

Applicants must be students in Year 10 during 2021.

Applications due Friday November 5, 2021. Application forms available online.
